

Health plans tailor-made for your business

Designed for participating state association members in the restaurant and hospitality industry, our fully insured health plans offer medical and ancillary coverage. Key features include:

Opportunity for cost savings

For groups with 2–50 eligible employees, we have several product offerings available, including community rating.

For groups with 51+ eligible employees, you can find a plan that gives you strength in numbers, with savings up to 5% off the manual underwritten rates.

More plan options

Robust plan options include medical, dental, vision, life, and disability as well as product and price flexibility with PPO, HSA and tiered-benefit plans.

Digital tools

Access resources designed to help improve employee health, productivity and retention, including myuhc.com®, the UnitedHealthcare® app and more.

Easier administration

Employers can rely on a dedicated account service team to provide enhanced services and resources to employers and members.

Health coverage from UnitedHealthcare

The only endorsed health carrier of the National Restaurant Association

9 out of 10
employees rank health care as an extremely or very important employee benefit*
